Madison's Central Business Improvement District (BID)

Capitol Square Area Construction Information Meeting Thursday, May 13

Madison Central BID will host an informational meeting for area property and business owners about 2010 Capitol Square area city construction projects.

Thursday, May 13, 2010
2:00-3:30 pm
122 West Washington Ave. (Hovde Building)
1st floor conference room

The meeting will focus on summer projects including:

- Capitol Square Streetscape upgrades (now scheduled to start June 1 on the following blocks of the Capitol Square: S. Pinckney, E. & W. Main, E. Mifflin & S. Carroll).
- 100 block N. Pinckney: Work at N. Hamilton St. intersection, June 1- July 30.
- King St. at S. Pinckney/E. Main intersection: 1-2 day resurfacing project
- 100 block radial streets, streetscape amenities (new trash & recycling cans, planters, etc.) planned for summer installation on 100 blocks of: King, E. Main, S. Pinckney, N. Hamilton, N. Pinckney, E. Mifflin, S. Hamilton, W. Main, S. Carroll.
- Non-city construction projects affecting street access.

Representatives from City Engineering, Traffic Engineering, Planning, and Office of Business Resources will participate. There will be information, discussion on:

- Work schedule, scope, plans
- Sidewalk and business access
- Street closure and alternate business access plan (N. Pinckney, King)
- Streetscape amenities and placement plan

Property and business owners in the Capitol Square area, especially in blocks involved, are encouraged to attend. No RSVP needed. For more info. about downtown construction, see:
