Book your own gig this summer!

Music, crafts, art, performance, dance, community, placemaking

Amplification and set-up permits can be granted* even the day of your performance or activity if the space is available for only \$15 + an additional 25¢ per hour for electricity costs!

*No permit is needed for activities that do not have amplification or set-up (tables, chairs, tents, etc.) If people want to perform with acoustic music, perform some street theatre w/out sets or amplification, or gather for a rally, no permit is needed, but reservation holders hold precedence for use of the space.
